The conference will look into new threats to peace and relationships with nations of concern. Aging equipment inventories and the ability of industrial bases of friendly nations to modernize existing equipment will also be addressed.

The health of international defense industry and the necessity and opportunities for transnational cooperation will be covered. Also examples of capability based global partnering in international procurement. These examples will provide insights into the opportunities for joining existing programs and markers for the future.

ComDef 2018 offers a glimpse into the future of defense at a key moment in history, and will provide opportunities for international networking with government, military and industry leadership.

The program subject to changes in topics, speakers and schedule due to circumstances beyond the control of the organizers **Version 2.3 8/23/18**

SOCO Advisory 09-03, March 23, 2009, provided guidance regarding when attendance fees at conferences may be deemed reasonable for attending a conference where DoD personnel would be speaking for the purposes of JER 3-211.a(7). The reasonable per day attendance fee for purposes of JER 3-211.a(7) is now \$675.
